

PLEASE HELP US WALK INTO A GREAT
NEW YEAR!

Kent School District Shoe Drive

Shannon & Associates, LLP
1851 Central Place South, Suite 225
Kent, WA 98030

The months after the holidays are typically periods of financial concern for our community with the greatest needs. We invite you to consider supporting our community this year by donating shoes for children.

Our firm has organized this shoe drive to support the Kent School District. We are asking for your help! For every tax return we prepare for you between now and April 15th, we are asking you to bring in a new pair of shoes or cash donation. Shannon & Associates will match your donation!

We believe this is a small yet important step for those in need in our community. Please help us have a successful Shoe Drive.

Thank you for caring and for your participation!

Sizes Needed: Toddler Size 13, Children's sizes 1-6, Men's & Women's sizes 7-10
